

**CURRICULUM VITAE**  
**Giese-Davis, Janine, Ph.D**

---

**I. BIOGRAPHICAL DATA**

**Janine Giese-Davis, Ph.D.**

Department of Psychosocial Resources, Tom Baker Cancer Centre  
Alberta Cancer Board – Holy Cross Site

2202 – 2<sup>nd</sup> St. S.W.

Calgary, AB T2S 3C1

Phone: (403) 698-8175

Cell: (403) 604-1009

Fax: (403) 355-3206

E-mail: [jgieseda@ucalgary.ca](mailto:jgieseda@ucalgary.ca)

[Janine.Giese-Davis@albertahealthservices.ca](mailto:Janine.Giese-Davis@albertahealthservices.ca)

Website: Giese-Davis.com

Associate Professor  
Division of Psychosocial Oncology  
Department of Oncology  
Faculty of Medicine

Adjunct Associate Professor  
Department of Psychology  
University of Calgary

**II. ACADEMIC RECORD**

Postdoctoral Fellowship (1994-1997)  
Stanford Psychiatry and Behavioral Medicine  
Stanford School of Medicine  
Psychosocial Treatment Laboratory  
Research Fellowship and Clinical Training  
Supervisor: David Spiegel, M.D.

Ph.D. (1994) Clinical Psychology  
University of Illinois, Urbana-Champaign  
Dissertation: The Concept of Conflict in Health Psychology: Person by Situation  
Measurement  
Advisor: Gregory A. Miller, Ph.D.

M.A. (1989) Clinical Psychology  
University of Illinois, Urbana-Champaign  
Thesis: Template Matching in Anhedonics and Dysthymics  
Advisor: Gregory A. Miller, Ph.D.

B.A. with Distinction (1981) English Literature with additional Teaching Certificate  
Colorado State University, Ft. Collins, CO

B.S. (1979) Psychology  
Colorado State University, Ft. Collins, CO

### **III. AWARDS AND DISTINCTIONS**

1. American Society of Preventive Oncology Conference Poster: 2009 Depression, Fatigue and Diurnal Cortisol Rhythm among Cancer Patients, Caregivers and Older Adults. Palesh, O., Giese-Davis, J., Mustian, K., O'Hara, R., Gallagher-Thompson, D., Kraemer, H., Janelsins, M., Peppone, L., Purnell, J., Morrow, G., Spiegel, D. 3<sup>rd</sup> Place, Honorable Mention.
2. Society for Behavioral Medicine Citation Abstract: 2002 Emotional expression during narratives in a breast cancer support group, Perry, C.J., Giese-Davis, J., Spiegel, D. (Washington, D.C.). Caroline Perry won a citation for the abstract on her undergraduate honors thesis work, for which I was the primary supervisor.
3. Lead Writer on the Pilot Grant "Does a Peer Navigator Improve Quality of Life at Diagnosis" selected as a grant funded through a tax-payer check off initiative for the State of California as particularly relevant to the citizens of California. 2001
4. Herman Eisen Award for Professional Contribution to Psychology Annual award to clinical student for professional contribution to the community. 1992
5. Certificate of Appreciation, American Cancer Society Support Group Organizer and Leader. 1987
6. Phi Kappa Phi, National Honor Society, 1981
7. Phi Beta Kappa, National Honor Society, 1980
8. Listed in "An Incomplete List of Teachers Rated as Excellent by Their Students" Daily Illini (campus newspaper) for teaching Psychology of Health., 1992, Champaign-Urbana, IL

### **IV. ACADEMIC APPOINTMENTS**

Associate Professor  
Division of Psychosocial Oncology, Department of Oncology

Faculty of Medicine  
University of Calgary  
2008 - Present

Adjunct Associate Professor  
Department of Psychology  
Faculty of Social Sciences  
University of Calgary  
2008 - Present

Senior Research Scientist  
Department of Communications  
Stanford University  
2008

Senior Research Scholar  
Department of Psychiatry and Behavioral Sciences  
Stanford University School of Medicine  
2002 – 2008

President and CEO  
EMPATH, LLC  
2007-Present

Research Associate  
Department of Psychiatry and Behavioral Sciences  
Stanford University School of Medicine  
1997 – 2002

Post-Doctoral Fellow  
David Spiegel, M.D. Mentor  
Department of Psychiatry and Behavioral Sciences  
Stanford University School of Medicine  
1994 – 1997

Clinical Intern  
Palo Alto Veterans Administration Medical Center  
1992 -1993

Coordinator  
Self-Help Center:  
A Program of Family Service of Champaign County Illinois  
1989 - 1990

## **V. EDUCATIONAL ACTIVITIES**

## i. Undergraduate

- Emotion Coding Interns 2009-10: **Brittney Dumanowski, Michael Grey, Sara, Hakimi, Debra Swinimer**
- Primary Supervisor 2010-11: University of Calgary Psychology Honours Student **Dale Dirkse**
- Primary Supervisor for University of Alberta Psychology Department Honours Student and Alberta Heritage Foundation For Medical Research Summer Studentship Student 2009 and 2010, **Kathryn M. Rancourt** (), 2009 AHFMR Studentship Recipient-*Assessing the Unmet Needs of Cancer Survivors in Alberta*. 2010 AHFMR Studentship Recipient- *The Effect of Relationship Talk in Cancer Survivorship*
- Honours Thesis Second Reader 2009: University of Calgary Psychology Department Honour Student, **Jana Kurilova**: *An Investigation of a Brief Four-Week Mindfulness Intervention: Effects on Mood Disturbance, Symptoms of Depression, Cognitive Responses to Stress, and Mindfulness*.
- Honors Thesis Primary Supervisor First Reader 2003 - 2004: Stanford Psychology Honor Student, **Rebecca Allen**: *Pride and Depression in Primary Breast Cancer*.
- Honors Thesis Primary Supervisor. First Reader 2001: Stanford Human Biology Honor Student **Caroline Perry**. Stanford's Firestone Medal Recipient for *Emotional Expression During Narratives in a Breast Cancer Support Group*.
- Honors Thesis Primary Supervisor, First Reader 2001: Stanford Biology Honor Student, **Wendy Ellis**: *Therapist Behaviors and Emotional Expression in Online vs. Face-to-Face Cancer Support Groups: A Comparative Study*.
- Honors Thesis Primary Supervisor, First Reader 1997: Stanford Human Biology Honor Student, **Julie (Chung In) Choe**. Firestone Medal Recipient for *Emotional Resonance of Psychological Support Groups of Women with Breast Cancer: A Pilot Study*.
- Instructor/Supervisor (1994 – 2008). Stanford Psychiatry and Behavioral Medicine. Psychosocial Treatment Laboratory/the Emotion Coding Lab--Stanford.
  - Undergraduate Independent Study. Supervised over 230 students over 10 years. Most of these interns went on to medical school. These interns code behavior using a number of different coding systems. Interns have also participated in data management, data entry, phone interviewing, participant recruitment, programming, and have helped with grant submissions.
- Instructor (1991) for The Psychology of Health (2 semesters) Department of Psychology, University of Illinois
- Instructor/Advisor (1984 – 1991). Department of Psychology, University of Illinois. Undergraduate Independent Study. Supervised 60 students working on psychophysiology data collection and programming, primary breast cancer marital interaction coding, daily-diary data management and coding for dissertation.

- Teaching Assistant (1984). Abnormal Psychology (2 semesters). Department of Psychology, University of Illinois.
- Teaching Assistant (1983). Clinical Psychology (2 semesters) Department of Psychology, University of Illinois.
- Teaching Assistant (1983). Community Psychology (2 semesters) Department of Psychology, University of Illinois.

## ii. Graduate

- Graduate Admissions Committee, Faculty of Social Sciences, Department of Psychology, University of Calgary. 2010
- Dissertation Primary Supervisor for **Christopher Han**, Stanford Management Sciences and Engineering: *Emotional Expression and Decision Analysis in Car Sales* 2008 – Present.
- Dissertation Primary Supervisor for **Malte Jung**, Stanford Design Engineering: *Affect in Design Teams as a Predictor of Team Cohesion and Design performance* 2006 - Present
- Dissertation Primary Supervisor for **Maya Yutsis**, Pacific Graduate School of Psychology: *Exploration of Moderator Effects of Adult Attachment Style on Psychosocial Adjustment in Breast Cancer Support Groups*. 2003 -2008
- Dissertation Primary Supervisor for **Lynn Dubenko**, Aliant Professional School of Psychology: *Validation of the Breast Cancer Specific Affect Coding System for Measurement of Emotional Expression in Breast Cancer Support Groups* 2003-2007
- Primary Supervisor: Stanford Medical Scholar's Student, **Anna Liess**: *An Analysis of Emotional Expression in Electronic vs. Face-to-Face Cancer Support Groups: A Comparative Study* 2003-2005
- Dissertation Primary Supervisor for **Erin Macintyre**, California Professional School of Psychology *Posttraumatic Growth Effects of Complementary/Alternative Medicine (CAM) In Breast Cancer Patients Participating In Group Therapy* 2001–2003.

## iii. Postdoctoral

- Co-Supervisor: **Amy Waller**, International Psychology Post-doctoral Fellow from Australia. 2010-2011
- Co-Supervisor: **Anja Simonic**, International Clinical Psychology Intern from Slovenia. 2010
- Co-Primary Supervisor (with Linda Carlson) for Postdoctoral Fellow for New Zealand 2009-2011, **Rie Tamagawa**, Department of Psychosocial Resources, Tom Baker Cancer Centre, Alberta, Canada.
- Primary Supervisor for Postdoctoral Fellow 1991-2003, **Heather C. Abercrombie**, Department of Psychiatry and Behavioral Sciences, Stanford University.
- Primary Supervisor for California Breast Cancer Research Program Postdoctoral Grant Recipient 1998-2000, **Matthew Cordova**, Department of Psychiatry and Behavioral Sciences, Stanford University: *Do Community Groups Enhance Well-Being?*

#### **iv. Continuing Medical Education**

- Palliative Care Grand Rounds Talk: Alberta CancerBRIDGES care plan implementation for breast and head and neck cancers. Albert Health Services, Tom Baker Cancer Centre. June 16, 2010
- Presentation for the Biomedical Ethics & Medical Humanities Scholarly Concentration, Stanford University, Stanford, CA  
Workshop: Draw the Feeling, October 13, 2006
- Panel Discussion member for The Art of Healing Breast Cancer: A Union of Science and Design. Sponsored by The California Breast Cancer Research Program of California and the U.C. Davis Design Museum. 2004
- Invited Consultant to Think Tank “Supporting and Expanding the Self-Help Group Movement” Supported by the California Endowment, Stanford, CA.. 1999
- Development of the Emotion-Coding Lab Stanford. I developed a method to code emotional expression from videotape of women participating in cancer support groups © 1996, Stanford University, All Rights Reserved.

#### **VI. PROFESSIONAL ACTIVITIES**

##### **Membership in Professional and Learned Societies**

- Society of Behavioral Medicine 1994-present
- American Psychosomatic Society 2009-present
- International Psycho-oncology Society 2010-present
- Canadian Association of Psychosocial Oncology 2010-present
- Society for Psychophysiological Research 1985-2002
- American Psychological Association 1985-1998
- American Psychological Society 1988-1998

##### **Clinical**

- Clinician for Clinical Trials of Supportive-Expressive Group Therapy for women with primary and metastatic breast cancer, and for Irvin Yalom’s Here-And-Now Group Psychotherapy for women with a childhood history of sexual abuse for the Psychosocial Treatment Laboratory Stanford Psychiatry and Behavioral Sciences. 1994 – 2001
- Postdoctoral Clinical Training. Stanford Psychiatry and Behavioral Medicine. (APA approved). Clinician for individual and group interventions for women with breast cancer, for general Behavioral Medicine Clinic clients (generalized anxiety disorder, psychosomatic illnesses), and group interventions for women who experienced childhood sexual abuse. 1994 – 1997
- Internship. Palo Alto Veterans Administration Medical Center. (APA approved). 1992 – 1993 Rotations:
  - Behavioral Medicine (Outpatient smoking cessation, sexual dysfunction secondary to prostate cancer, cancer clinic consultation, coping with debilitating cardiovascular disease)

- Satori (Inpatient therapeutic community for male veterans who had failed out of every other drug and alcohol treatment program and had either narcissistic, antisocial, or borderline personality disorders. A typical stay for these men was 8 months. Therapeutic community had existed for 23 years and utilized peer mentors who had “graduated” and were successful in the community)
- Rheumatology Clinic (Outpatient consultation in the rheumatology clinic for male and female veterans who were either requesting psychological services for difficulty coping with pain or loss of function, or at the request of the clinic for those who were having difficulty with adherence to medication, behavioral programs, and exercise recommendations. Individual therapy with clients who requested longer term intervention)
- Andrology Clinic (Outpatient consultation in the Andrology Clinic for veterans who had erectile dysfunction secondary to medical illness. In this clinic, physicians and psychologists worked closely to create effective interventions that included vacuum-constriction devices, testosterone shots if warranted, and individual and couple’s therapy)
- Comprehensive Rehabilitation Center (Inpatient clinic for brain injuries and illnesses. Provided daily neuropsychological testing and psychological intervention for a range of clients with brain tumors, A.L.S., Stroke, brain injuries. Provided individual and couple’s therapy for outpatients who had had brain injuries or illnesses.
- Psychology Intern. Psychological Services Center, University of Illinois. Practicum: Behavioral Medicine, Feminist Therapy, Neuropsychological Testing, Community Intervention. 1984 – 1991.

## Professional Service

### Journal Reviews

- *Psychological Review*—2009-Present
- *Journal of Psychosomatic Research*—2008-Present
- *Journal of Personality*—2009-Present
- *Journal of Personality and Social Psychology* – 2008 - Present
- *American Journal of Geriatric Psychiatry*-2008-Present
- *British Journal of Health Psychology*. 2008 – present
- *Society of Behavioral Medicine Abstracts Biological Mechanisms in Health Behavior Change*. 2006 – present
- *Cancer*. 2006 – present
- *Psychology and Aging*. 2006 – present
- *Archives of General Psychiatry*. 2004 - present
- *Journal of Consulting and Clinical Psychology*. 2002-Present
- *Personality and Individual Differences*. 2002 – present
- *Emotion*. 2001 – present
- *Psycho-Oncology*. 2000 – present
- *Social Science and Medicine*. 2000 – present
- *Journal of Family Psychology*. 1999 – present

- *International Journal of Self-Help and Self-Care*. 1999 - present
- *Psychophysiology*. 1994 – present

### **National and International Committees**

- Co-Chair of The IOM Alliance on Quality Psychosocial Care Education and Demonstration Projects Committee (on Behalf of the American Psychosomatic Society) 2008-Present
- Champaign County American Cancer Society Board Member: Co-chair of the Service and Rehabilitation Committee.
  - 1) Organized of a bi-annual cancer conference, Living Well with Cancer, co-sponsored by the University of Illinois, College of Medicine
  - 2) Coordinated Reach for Recovery, Cansurmount, and other service programs (we initiated the Cansurmount peer-counseling program in Champaign County in 1990).
  - 3) Facilitated the Cansurmount volunteer visitors' monthly group meetings. The University of Illinois, College of Medicine. 1990 - 1992
- American Cancer Society Board Member. Organized a cancer conference, Cancer: Facing the Challenge, co-sponsored by the University of Illinois, College of Medicine. 1989.
- Community Cancer Education Committee. Champaign-Urbana, Illinois. Member of an interdisciplinary committee which sponsored 4 educational programs (6 speakers each) on topics about which cancer patients requested information. 1986 – 1989.

### **Community Service**

- Advisory Consultant. Act as an advisory consultant to The Wellness Community National Organization. 2001 – present
- Organization of an Independent Cancer Support Group. Facilitated the organization of a Cancer support group in Champaign-Urbana, Illinois. Initially co-led the group and facilitated the election of member-leaders. 1986 – 1992
- Self-Help Center Advisory Council Member Self-Help Center, A Program of Family Service of Champaign County. 1992

## **VII. RESEARCH SUPPORT**

### **i. Grants Pending**

1. Fillion, L., Ward, A., Aubin, M., Fitzpatrick, T., **Giese-Davis, J.**, Kazanjian, A., Loiselle, C. Evaluation of the cancer transition program on cancer survivors' empowerment and lifestyle: A feasibility study using a shared-care model of illness management. CIHR Disease Management one-year grant-(Pfizer operating grant) Feasibility study. Registration submitted September 17, 2010

## ii. Grants Currently Held

1. **Giese-Davis, J.** (PI). CancerBRIDGES Survivors' Network: Bridging the transition from active treatment to resilient life. The Order of the Eastern Star: Cancer Survivor's Grand Matron Project: \$43,482.92. 2010 – 2011
2. Walley, B., Lupichuk, S., Joy, A., Railton, C. & **Giese-Davis, J.** *Virtual breast cancer survivorship clinic: Assessing the need in Alberta.* Canadian Breast Cancer Foundation Prairies/NWT. April 2010-April 2011. \$50,985
3. Carlson, L.E., **Giese-Davis, J.**, Magliocco, A.M., Beattie, T. *Effects of Mindfulness-Based Stress Reduction (MBSR) and Supportive Expressive Therapy (SET) on biomarkers of cell aging, immune function and stress in breast cancer survivors.* ACRI Operating Grant: \$207,739. April 2010 – March 2012
4. **Giese-Davis, J.** (PI), Carlson, L.E., Magliocco, A.M., Bech-Hansen, T., Eliasziw, M., Lounsberry, J. *Exploring a genetic predictor of distress in the first year of breast cancer survivorship:* Canadian Breast Cancer Research Alliance, DEX Grant. \$65,000 April 2010 – March 2011
5. Owen, J.E., Bantum, E.O., Elhadad, N., **Giese-Davis, J.**, Golant, M., Buzaglo, J. *Use of natural language processing to identify linguistic markers of coping.* National Cancer Institute, US National Institutes of Health: \$407,949 (unofficially awarded (1<sup>st</sup>: \$274,407 2<sup>nd</sup>: \$133, 087)) July 2010 – June 2012
6. Stephen, J.E. (PI), **Giese-Davis, J.** (Co-I), Linden, W., Chia, S., Specca, M., Taylor-Brown, J, Fergus, K., Keller-Olaman, S and Fillion, L. *An RCT Testing Efficacy of Professionally and Peer-led Online Support Groups for Young Canadian Breast Cancer Survivors.* Canadian Breast Cancer Research Alliance, Psychosocial Aspects of Breast Cancer: \$582,995. December 2009 - June 2014
7. **Giese-Davis, J.** (PI), Carlson, L., Chobanuk, J., Lau, H., Hao, D., Railton, C., Shirt, L., Taylor, A., Fassbender, K., Walley, B. & Joy, A.A. *Alberta CancerBRIDGES Care Plan Implementation for Breast and Head and Neck Cancers.* Canadian Partnership Against Cancer, Cancer Journey Action Group: \$100,938. October 2009 – September 2010
8. Carlson, L.E., (PI), **Giese-Davis, J.** (Candidate). Alberta Cancer Research Institute (ACRI) *Recruitment and Retention Funding.* Funding to support 3 years of salary, moving costs, and lab set-up costs for Janine Giese-Davis, Ph.D. \$655,616 (1<sup>st</sup> = \$143,400, 2<sup>nd</sup> = \$132,300, 3<sup>rd</sup> = 138,916) 2009 – 2012

## ii. Grants Previously Held

9. **Giese-Davis, J.** NCIC Junior Investigator Grant Panel Travel Award. For travel to Toronto as Selected Investigator for the Panel K - Supportive Care, Palliative Care and Psychosocial Issues. \$1,000. 2008
10. Nass, Clifford (PI), **Giese-Davis, J.** (CI). *REVS IT UPP! Robot-Enhanced*

*Vehicles: Safety, Information, Training, and User and Passenger Pleasure*  
Unable to list sponsor due to confidentiality agreement. Goals are to investigate the emotional and safety impact of voice communication with an in-car robot with the addition of haptics that both give warnings of upcoming driving conditions in a driving simulator. Principal Investigator: Clifford Nass, Communications Department Stanford. \$150,000. 2007 – 2008

11. **Giese-Davis, J.**, (PI) Nass, C. Shariq, S. Emotional Resonance Expert for A project to accelerate shared global prosperity by real-time venture creation. This is a research/intervention for entrepreneurs taking products into developing countries. Aim is to increase sustainability of ventures across political and economic upheavals, and to eventually work with indigenous ventures to increase their sustainability. Kozmetsky Global Collaboratory: \$6,000,000. 2004 – 2009
12. **Giese-Davis, J.** (Consultant) *Emotional Expression in Engineering Design Groups: Emotional expression analysis of engineers participating in a business game for managers.* Goals are to examine relationship between expression and success of engineering teams and to design interventions for teams. Unable to list sponsor due to confidentiality agreement. 5000 €. 2008
13. **Giese-Davis, J.** (PI) for *Cultivating Emotional Balance-Does Mindfulness Meditation Plus Compassion Training Change Emotional Behaviour in a Marital Conflict?* Analysis of The Coding Lab-Stanford's coding of marital interaction as a pre-post test of a randomized trial of meditation for female school teachers. \$7,741. 2007
14. **Giese-Davis, J.** (PI) for grant to study *Emotional Resonance of Television Talent* Examining the emotional expression/resonance of TV News Anchors. Unable to list sponsor due to confidentiality agreement. \$10,500. 2006 – 2007
15. Spiegel, D. (PI), **Giese-Davis, J.** (CI) for grant to study *Attention Enhancement in Man-Machine Interfaces.* The goal is to investigate methods for attention enhancement in man-machine interfaces. Unable to list sponsor due to confidentiality agreement. \$767,601. 2005 – 2007
16. **Giese-Davis, J.** (PI) for *Assessing the Impact of Shame and Guilt in Recovery.* Breast Cancer Research Program of California Grant: \$100,000 1 1/2 year-IDEA. 2003 – 2005
17. Spiegel, D. (PI), **Giese-Davis, J.** (CI) *Does a Peer Navigator Improve Quality of Life at Diagnosis?* Providing funds for collaboration with La Familia Center Santa Cruz toward the goal of working with monolingual Spanish-speaking women with breast cancer. Breast Cancer Research Program of California Supplement Grant: \$20,000. 2002 – 2004
18. Margaret E. Kemeny, Ph.D. and Paul Ekman, P.I.s., **Giese-Davis, J.** (Consultant) My lab conducted the emotion coding of the marital interaction task

within the randomized study: *Cultivating Emotional Balance in Challenging Times*. Consultant and lead writer of articles coming from analysis of this task. Consultant for Fetzer Grant: \$32,299. 2002 - 2006

19. Spiegel, D. (PI), **Giese-Davis, J.** (Lead Writer and CI) for *Does a Peer Navigator Improve Quality of Life at Diagnosis?* Breast Cancer Research Program of California Grant: \$500,000 5-year randomized Community/Research Collaboration. 2001 – 2006
20. Spiegel, D. (PI), **Giese-Davis, J.** Co-Investigator for N.I.A./N.C.I Sponsored *Diurnal Cortisol, and Breast Cancer Survival* and Research Coordinator for N.I.A./N.C.I. Program Project Grant: *Stress, the HPA, and Aging*: \$8,000,000. 2001 - 2006
21. Lieberman, M. (PI), Golant, M. (PI), **Giese-Davis, J.** (Consultant) for *Effectiveness of Internet vs. Face-to-Face Support Groups* Breast Cancer Research Program of California Grant: \$500,000 3-year randomized Community/Research Collaboration. 2001 – 2004
22. Spiegel, D (PI), **Giese-Davis, J.** (CI) for Emotion Coding of Videotaped Group Psychotherapy. Competing renewal NIMH Sponsored Grant: *Effects of Psychosocial Treatment on Cancer Survival*: \$2,000,116 competitive renewal of a randomized trial of supportive-expressive group therapy. 2000 – 2005
23. Spiegel, D. (PI), **Giese-Davis, J.** Lead writer and Co-Investigator/Project Director *Does a Peer Navigator Improve Quality of Life at Diagnosis?* Breast Cancer Research Program of California Grant: \$100,000 1-year pilot Community/Research Collaboration. 2000 – 2001
24. Greenburg, M. (PI), **Giese-Davis, J.** (Consultant) for *Does Expressive Writing Enhance the Health Effects of Cancer Support Groups?* California School of Professional Psychology Mini Grant: \$8,000. 2000
25. **Giese-Davis, J.** (Co-Investigator) for *Effects of Self-Hypnosis on Emotional Expression and Depression in Metastatic Breast Cancer Patients*. Bill Kimpton Foundation Grant: \$25,000 Gift. 2000 – 2002
26. Lieberman, M. (PI), Golant, M. (PI), **Giese-Davis, J.** (Co-Investigator) for *Effectiveness of Electronic Support Groups for Breast Cancer*. Breast Cancer Research Program of California Grant: (\$100,000 1-year pilot Idea Grant) 1999 – 2000
27. Spiegel, D. (PI), **Giese-Davis, J.** (Lead Writer and Co-Investigator/Project Director) for *Do Community Cancer Support Groups Reduce Physiological Stress?* Breast Cancer Research Program of California Grant: (\$500,000 3-year randomized Community/Research Collaboration) 1998 – 2002
28. **Giese-Davis, J.**, Spiegel, D. Wrote and was awarded a Postdoctoral Fellowship

as a part of larger John D. and Catherine T. MacArthur Mind/Body Network Grant: *The Impact of Emotional Expression on Social Support and Group Interaction in Metastatic Breast Cancer Support Groups*. Stanford School of Medicine. 1996 – 1998. (\$171,309)

29. **Giese-Davis, J.** (PI), Spiegel, D. (Mentor). Wrote and was awarded a Postdoctoral Fellowship Grant from the Breast Cancer Research Program of California: *Does Change in Emotional Expression Mediate Cancer Survival?* Stanford University School of Medicine. 1995 – 1997. (\$74,848)
30. **Giese-Davis, J.** (PI), Spiegel, D. (Mentor) Wrote and was awarded Postdoctoral Fellowship Grant from the American Cancer Society: *Cancer Support Groups: Professional vs. Member Leadership* Principal Investigator: Stanford University School of Medicine. 1994 – 1995. (\$25,000)

## VIII. INVITED ADDRESSES/EDITORIAL

1. **Giese-Davis, J.** *Highlights of survivorship research and head and neck survivorship care plans*. Talk: Head and Neck Rounds, Tom Baker Cancer Centre, Calgary, Alberta. October 2010
2. **Giese-Davis, J.** *Highlights of Survivorship Research*. Talk: Palliative Care Grand Rounds, Calgary, Alberta. June 16, 2010
3. **Giese-Davis, J.** Keynote Speaker: *Your best life-Highlights of Survivorship Research*, Life after Cancer-Health, Happiness and Connections Conference. Tom Baker Cancer Centre, Calgary, AB. April 30, 2010
4. **Giese-Davis, J.** *Survivorship*. Talk: The Southern Alberta Breast Tumor Group Mini-Retreat. Escalus Room, MacEwan Student Centre Main Campus, University of Calgary. March 18, 2010
5. **Giese-Davis, J.** *Expressing affect during supportive-expressive group therapy sessions reduces trauma symptoms in metastatic breast cancer patients*. Talk: The Sebastian Littmann Research Day. Department of Psychiatry, University of Calgary, Calgary, AB. March 5, 2010
6. **Giese-Davis, J.** *Reading emotional cues*. Talk: There's a Psychology for That! Public talk at the W.S. Castell Central Public Library, Calgary, AB. March 1, 2010
7. **Giese-Davis, J.** *Survivorship*. Talk: The Canadian Partnership Against Cancer National Survivorship Working Group Calgary, AB. January 25-26, 2010
8. **Giese-Davis, J.** *Survivorship*. Talk: The Northern Alberta Breast Cancer Program Annual Retreat. Edmonton, AB. Oct. 23, 2009

9. **Giese-Davis, J.**, *Cancer Survivorship: Planning for the future*. Talk: Cancer Care 2009: Maintaining Focus in Changing Times. Hyatt Regency, Calgary, Alberta. May 6, 2009
10. **Giese-Davis, J.** *Survivorship Outcomes*. Talk: Alberta Provincial Breast Cancer Program Retreat, Kananaskis Country, Alberta. January 30 - February 1, 2009
11. **Giese-Davis, J.** *Identifying Priorities for Cancer Survivorship Research*. Pan-Canadian Invitational Workshop. Vancouver, B.C. November 21 - 22, 2008
12. **Giese-Davis, J.** Cancer Care Ontario and Cancer Quality Council of Ontario's Expert Roundtable on Survivorship. Toronto, Ontario. November 7, 2008
13. **Giese-Davis, J.** *The Art of Cancer Survivorship: Positively Pink*. Calgary, Alberta. October 26, 2008
14. **Giese-Davis, J.** *Expressing Affect during Supportive-Expressive Group Therapy Sessions Reduces Trauma Symptoms in Metastatic Breast Cancer Patients*. Talk: The American Psychosomatic Society 66th Annual Scientific Meeting, Baltimore, MD. March 12-15, 2008
15. **Giese-Davis, J.** *Emotion Regulation, Physiological Risk, and Psychotherapy Outcomes for Breast Cancer Patients*. Talk: SMU Psychology Colloquium. Dallas, Texas. January 14, 2008
16. **Giese-Davis, J.** *Is Group Psychotherapy Associated with Longer Survival for Women with Metastatic Breast Cancer?* Talk: The Wellness Community, Phoenix, 2008
17. **Giese-Davis, J.** *New Discoveries in Emotions, Depression and Cancer Survival*. Presented at Department of Psychiatry / Health Psychology Seminar Series: "Mind and Biology: Mechanisms and Models ". San Francisco, CA. December 14, 2007
18. **Giese-Davis, J.** *New Discoveries in Emotions, Depression and Cancer Survival*. Talk: Tom Baker Cancer Centre, Oncology Grand Rounds. Calgary, Alberta, Canada. April 18, 2007
19. **Giese-Davis, J.** *New Discoveries in Emotions, Depression and Cancer Survival*. Talk: Behavioral and Social Sciences Cancer Research Program and Department of Psychiatry Grand Rounds. Tucson, Arizona. April 11, 2007
20. **Giese-Davis, J.** *Coping with Breast Cancer: New Developments*. Talk: Breast Cancer Month at Queen of the Valley Hospital in Napa, CA. Napa, CA. October 15, 1999

21. **Giese-Davis J.**, Sephton S, Golant M, Liess A, Ellis W, Spiegel D. *Emotion regulation, supportive-expressive therapy, and online support*. Talk: The BCCA Sociobehavioural Research Center and the Canadian strategy for cancer control rebalance focus action group presents: electronic support groups for cancer patients: clinical applications and future research; Vancouver, B. C. June 21-23, 2004
  
22. **Giese-Davis, J.**, Sephton, S., Spiegel, D. *Personality Factors and Recovery from Breast Cancer*. Talk: The 3rd Meeting on Personality Disorders: Personality Disorders; Research and Treatment: An Update. Stanford University Medical Center. June 5-6, 2004
  
23. **Giese-Davis, J.** *Emotion regulation and metastatic breast cancer*. Symposium: 16th World Congress on Psychosomatic Medicine, Goteborg, Sweden. August 2001
  
24. **Giese-Davis, J.** *Thinking about feeling: Emotional Expression in the lives of people with cancer*. Talk: Psychiatry Grand Rounds, Memorial Sloan-Kettering Cancer Research Hospital. November 2000
  
25. **Giese-Davis, J.** *The Development of Support Groups*, Talk: The annual meeting of the California Association of Regional Cancer Registries (CARCR), San Francisco, CA. February 1997
  
26. Golant, M., & **Giese-Davis, J.** *How community-initiated research collaborations make a difference: Real science for real people*. Talk: The 7th International Congress in Psychosocial Oncology, Copenhagen, Denmark. August 25-28, 2004
  
27. Cordova, M. J., **Giese-Davis, J.**, Golant, M., Kronenwetter, C., & Spiegel, D. *Cancer as a traumatic stressor: Accurate and helpful but incomplete*. In M. A. Andrykowski (Chair), Conceptualizing cancer as trauma: Accurate or inaccurate, helpful or unhelpful? Symposium: The 24th annual meeting of the Society of Behavioral Medicine, Salt Lake City. March 2003

## **IX. PUBLICATIONS/PRESENTATIONS**

### **PUBLICATIONS**

#### **i. Peer-Reviewed Papers**

#### **In Preparation:**

1. **Giese-Davis, J.** (In Prep). Increasing expression of direct anger, fear, and sadness reduces trauma symptoms in supportive-expressive group therapy for metastatic breast cancer patients. *Psychosomatic Medicine*
2. **Giese-Davis, J.**, Tamagawa, R., Popek, V., Sephton, S., Yutsis, M., & Spiegel, D. (In Prep). Repression associated with higher waking cortisol and higher Tier social stress test baseline cortisol levels in women with metastatic breast cancer. *Psychoneuroendocrinology*
3. Tamagawa, R., Dillon, C., Chakkapark, T., Altree-Piemme, K., & **Giese-Davis, J.** (In Prep). Emotional expression in spoken narratives in supportive-expressive group therapy.
4. **Giese-Davis, J.**, Golant, M., Kronenwetter, C., Cordova, M., Yutsis, M., Kraemer, H. C., Spiegel, D. (In Prep). Comparing community breast cancer support groups to Stanford's supportive-expressive group therapy: A randomized trial.
5. **Giese-Davis, J.**, Bliss-Isberg, C., Yutsis, M., Wittenberg, L., Star, P., Houston, D., et al. (In Prep). Peer counseling improves quality of life following diagnosis of breast cancer: A randomized trial.

**Submitted:**

1. **Giese-Davis, J.**, Kronenwetter, C., Golant, M., Cordova, M., Twirbutt, S, Chang, V., Lounsberry, J., Kraemer, H.C & Spiegel, D. (submitted September 2010) Methods to Illustrate Multi-Faceted Dimensions of Group Therapy and Support *The International Journal of Methods in Psychiatric Research*
2. Ellington, L., Reblin, M., Berry, P., Clayton, M. F., & **Giese-Davis, J.** (Submitted June 2010). Reflective Research: Supporting staff in coding end of life communication. *Patient Education Counselling*
3. **Giese-Davis, J.**, Carlson, L. E., Groff, S., Bachor, S. M., Adamyk-Simpson, J., Rancourt, K. M. S., Dunlop, B., Bultz, B.D. (Submitted June 2010). Screening for distress: Common problems in cancer outpatients over one year in usual care: Associations with marital status, sex, and age. *Psycho-oncology*
4. **Giese-Davis, J.**, Butler, L. D., Cordova, M. J., Koopman, C., Kraemer, H. C., & Spiegel, D. (Submitted). Change in emotion regulation mediates the effect of treatment on change in trauma symptoms following supportive-expressive group therapy. *Journal of Clinical Psychology*

**Revise and Resubmit:**

1. Epel, E., **Giese-Davis, J.**, Kraemer, H. C., Sephton, S., & Spiegel, D. (In Revise and Resubmit). Insulin resistance, metabolic syndrome, and breast cancer progression: Role of psychosocial stress. *Psychoneuroendocrinology*

#### **In Press:**

1. **Giese-Davis, J.**, Collie, K., Rancourt, K., Neri, E., Kraemer, H. C., & Spiegel, D. (In Press September 2010). Decrease in depression symptoms is associated with longer survival in metastatic breast cancer patients: A secondary analysis *Journal of Clinical Oncology* (Impact Factor 17.793)

#### **Published:**

2. Wittenberg, L., Yutsis, M., Taylor, S., **Giese-Davis, J.**, Bliss-Isberg, C., Star, P., Spiegel, D. (2010). Marital status predicts change in distress and well-being in women newly diagnosed with breast cancer and their peer counselors. *The Breast Journal*, 16(5), 481-89 (Impact Factor 1.610)
3. O'Hara, R., Cassidy-Eagle, E. L., Beaudreau, S. A., Eyler, L. T., Gray, H. L., **Giese-Davis, J.** Hubbard, J., Yesavage, J., (2010). Increasing the ranks of academic researchers in mental health: a multisite approach to postdoctoral fellowship training. *Academic Medicine*, 85(1), 41-47. (Impact Factor 1.867)

## PRESENTATIONS

1. Salmon, P., Dreeben, S. J., Jablonski, M. E., Litvan, I., Houghton, D., Constantino, A., **Giese-Davis, J.**, Sokhadze, T., Fernandez-Bortran, R., Eismann, E. A., Hanneman, S., & Sephton, S.E. *A randomized-controlled pilot study of Mindfulness-Based Stress Reduction (MBSR) for Parkinson's disease*

*patient and caregiver dyads*. Paper presented at the The Center for Mindfulness' Annual Scientific Conference. March 2011

2. Rancourt, K., Schimel, J. & **Giese-Davis, J.** Poster: The effects of relationship talk on couples adjustment to gastrointestinal cancer. 3<sup>rd</sup> Annual SACRI Education Research Day. June 28, 2010
3. **Giese-Davis, J.**, Tamagawa, R., Yutsis, M., Piemme, K., Neri, E., Taylor, C.B. et al. Talk: *Repressive coping styles and emotional expression of repressors with metastatic breast cancer during the trier social stress task*. World Congress of Psycho-oncology. Quebec City, QC. May 25-29, 2010
4. **Giese-Davis, J.**, Collie, K., Rancourt, K., Neri, E., Kraemer, H.C. & Spiegel, D. *Decrease in depression symptoms is associated with longer survival in metastatic breast cancer patients*. Paper presented at the 12<sup>th</sup> World Congress of Psycho-oncology. Quebec City, QC. May 25-29, 2010
5. **Giese-Davis, J.**, Carlson, L.E., Groff, S. & Bultz, B.D. *Evaluation of distress and common problems in a general population of cancer patients at diagnosis, 3, 6 and 12 months: Does distress change over time without triage?* Paper presented at the 12<sup>th</sup> World Congress of Psycho-oncology. Quebec City, QC. May 25-29, 2010
6. **Giese-Davis, J.**, Bliss-Isberg, C., Wittenberg, L., Yutsis, M., Star, P., Cordova, M., et al. Talk: *Peer counseling improves quality of life for women with breast cancer: A randomized trial*. 12<sup>th</sup> World Congress of Psycho-oncology. Quebec City, QC. May 25-29, 2010
7. **Giese-Davis, J.** Talk: *Expression of primary negative affect during supportive-expressive group therapy sessions reduces trauma symptoms in metastatic breast cancer patients*. 12<sup>th</sup> World Congress of Psycho-oncology. Quebec City, QC. May 25-29, 2010
8. Yutsis, M., Cordova, M., Field, N. & **Giese-Davis, J.** Talk: *Adult attachment style in breast cancer patients and its association with reactions to participation in cancer support groups*. Society of Behavioural Medicine, Seattle, WA. April 7-10, 2010
9. **Giese-Davis, J.**, Neri, E., Taylor, C.B., Kraemer, H.C. & Spiegel, D. Talk: *Higher heart-rate variability predicts longer metastatic breast cancer survival*. American Psychosomatic Society 68<sup>th</sup> Annual Scientific Meeting. Portland, OR. March 10-12, 2010
10. Yutsis, M., Abercrombie, H., Keller, J., Spiegel, D. & **Giese-Davis, J.** Talk: *Repression associated with poorer verbal and spatial memory in women with metastatic breast cancer*. Cognition and Cancer Conference: The International Cognition and Cancer Task Force. New York City, NY. March 8-9, 2010

11. Carlson, L.E., Groff, S., Maciejewski, O., **Giese-Davis, J.**, & Bultz, B. Poster: *Screening for Distress, the 6<sup>th</sup> Vital Sign: Longitudinal trends in distress and common problems over a six month period.* International Psycho-oncology Society's 11<sup>th</sup> World Congress, Vienna, Austria. June 2009
12. Palesh, O., **Giese-Davis, J.**, Mustian, K., O'Hara, R., Gallagher-Thompson, D., Kraemer, H., Janelsins, M., Peppone, L., Purnell, J., Morrow, G., Spiegel, D. Poster: *Depression, fatigue and diurnal cortisol rhythm among cancer patients, caregivers and older adults.* American Society of Preventive Oncology 33<sup>rd</sup> Annual Conference. Tampa, FL. March 2009
13. **Giese-Davis, J.**, Bliss-Isberg, C., Yutsis, M., Wittenberg, L., Star, P., Houston, D., et al. Talk: *Does a Peer Navigator Improve Quality of Life at Diagnosis? Randomized Trial Outcome.* BCRP from Research to Action: Breaking New Ground, Los Angeles. September 7-8, 2007
14. Butler, L. D., Kaufman, A. S., Seibert, E. O., Lockwood, C., Sunda, T., **Giese-Davis, J.**, Spiegel, D. Talk: *Flow as a normative dissociative state.* International Society for the Study of Trauma and Dissociation, Philadelphia, PA. November 2007
15. *The Art of Healing, a Union of Science and Design.* Presentation to the Wellness Community, Phoenix. 2006
16. *Peer Navigation Community/Research Collaboration.* Presentation to the Breast Cancer Research Program of California's Community/Research Collaboration Workshop. 2006
17. Allen, R. M., **Giese-Davis, J.**, Piemme, K., & Twirbutt, S. Talk: *Pride and depression in primary breast cancer: Eliciting pride and examining facial expression.* Annual California Breast Cancer Research Program Conference, Sacramento, CA. September 9-11, 2005
18. **Giese-Davis, J.**, Yutsis, M., Piemme, K., & Twirbutt, S. Talk: *Assessing the impact of shame and guilt on recovery.* Annual California Breast Cancer Research Program Conference, Sacramento, CA. September 9-11, 2005
19. **Giese-Davis, J.**, Golant, M., & Spiegel, D. Talk: *New Discoveries in Emotions and Cancer.* The Frankly Speaking About New Discoveries in Cancer Seminar Sponsored by The Wellness Community. Walnut Creek, CA. October 16, 2004
20. **Giese-Davis, J.**, Abercrombie, H. C., Sephton, S., Epel, E., & Spiegel, D. Talk: *Abnormal diurnal cortisol slope: Associations with disease status, survival, perceived stress, and emotion regulation in women with metastatic breast cancer.* World Psychosomatic Medicine Conference Hawaii. August 23-27, 2003
21. **Giese-Davis, J.**, Butler, L. D., Koopman, C., Cordova, M., Classen, C., Kraemer, H. C., et al. Talk: *Change in emotion regulation mediates change in trauma*

*symptoms and mood disturbance in women with metastatic breast cancer following supportive-expressive group therapy.* 6th World Congress on Psycho-Oncology, Banff, Canada. April 23-27, 2003

22. **Giese-Davis, J.** Symposium: *Community/research collaborations, how to reach more of the people more of the time with evidence-based interventions.* Chair of symposium which included: Giese-Davis, J., Bliss-Isberg, C., Carson, K., Donaghy, J., Star, P., Batten, C., & Spiegel, D. Peer Counselors in a training session provide accurate predictions of who will be an effective peer navigator. Annual meeting of the Society for Behavioral Medicine, Washington, D.C. April 2002
23. Perry, C.J., **Giese-Davis, J.**, Spiegel, D. Talk: *Emotional expression during narratives in a breast cancer support group.* Annual meeting of the Society for Behavioral Medicine, Washington, D.C. Citation award. April 2002
24. **Giese-Davis, J.**, Perry, C. J., Abercrombie, H., & Spiegel, D. Talk: *Steeper diurnal cortisol rhythm associated with greater primary negative affect and greater positive affect within spoken narratives in cancer support groups.* Society for Psycho physiological Research 42nd Annual Meeting, Washington, D.C. October 2-6, 2002
25. Ellis, W., **Giese-Davis, J.**, Lieberman, M., Golant, M., Simon, J., Spiegel, D. Poster: *Emotional expression and therapist behavior in online vs. Face-to-face breast cancer support groups: a comparative study.* Annual meeting of the Society for Behavioral Medicine, Washington, D.C.
26. **Giese-Davis, J.**, Sephton, S., & Spiegel, D. Talk: *Less coded expression of primary negative affect associated with flattened diurnal slope of cortisol.* Annual Conference for the Society for Psychophysiological Research, Montreal, Canada. October 2001
27. **Giese-Davis, J.** Symposium: *Emotion regulation and metastatic breast cancer.* 16th World Congress on Psychosomatic Medicine, Goteborg, Sweden. August 2001
28. **Giese-Davis, J.**, Sephton, S., Duran, R. E., Spiegel, D. Talk: *Repression and physiological risk factors in women with metastatic breast cancer.* World Congress of Behavioral and Cognitive Therapies, Vancouver, Canada. July 2001
29. **Giese-Davis, J.** Talk: *Thinking about feeling: Emotional Expression in the lives of people with cancer.* Psychiatry Grand Rounds, Memorial Sloan-Kettering Cancer Research Hospital. November 2000
30. **Giese-Davis, J.**, Koopman, C., Butler, L., Classen, C., Cordova, M., Fobair, P., Benson, J., Carlson, R., & Spiegel, D. Talk: *Change over time in emotional control in supportive-expressive group therapy for metastatic breast cancer patients.* Society of Behavioral Medicine, Nashville, TN. 2000a

31. **Giese-Davis, J.**, Sephton, S., Duran, R., & Spiegel, D. Talk: *Repression associated with a physiological risk factor for shorter survival in women with metastatic breast cancer*. Society of Behavioral Medicine, Nashville, TN. 2000b
32. **Giese-Davis, J.** & Spiegel, D. Talk: *Suppression, Repression, and Restraint in Metastatic Breast Cancer Patients*. Annual conference of the (Non) Expression of Emotion, Tilburg, The Netherlands. June 1999
33. **Giese-Davis, J.**, Kronenwetter, C., Golant, M., Chang, V., Benjamin, H., & Spiegel, D. Talk: *Qualities of Cancer Support Groups to Consider When Implementing Support Programs*. Annual meeting of NIH/NCI: Cancer Survivorship: Research Challenges and Opportunities for the new Millennium, Bethesda, MD. March 1999
34. **Giese-Davis, J.**, Koopman, C., Butler, L.D., Classen, C., Morrow, G. R., & Spiegel, D. Talk: *Self-Efficacy with Emotions Predicts Higher Quality of Life in Primary Breast Cancer Patients*. Annual meeting of The Society for Behavioral Medicine, San Diego, CA. March 1999
35. **Giese-Davis, J.**, Symons, B., Sephton, S., Cacioppo, J., & Spiegel, D. Talk: *Repression, suppression, restraint: Cardiovascular reactivity in metastatic breast cancer patients*. Annual meeting of the Society for Psychophysiological Research. Denver, CO. September 1998
36. **Giese-Davis, J.**, Hermanson, K., Koopman, C. and Spiegel, D. Talk: *Affective engagement and couple's adjustment to metastatic breast cancer*. Annual meeting of the American Psychological Association Meeting. San Francisco, CA. August 1998
37. **Giese-Davis, J.**, Golant, M., Alt, C. and Spiegel, D. Talk: *Topics Discussed in Cancer Support Group Meetings: Dimensions of 'Support'*. Annual meeting of the American Psychological Society, Washington, D.C. May 1998
38. **Giese-Davis, J.**, Koopman, C., Butler, L.D., Joss, J., Classen, C., Roberts, J., Rosenbluth, R., Morrow, G.R., & Spiegel, D. Talk: *The Stanford Self-Efficacy Scale for Serious Illness: Reliability, validity, and generalizability*. Annual meeting of the American Psychological Society, Washington, D.C. May 1997
39. **Giese-Davis, J.** Talk: *The Development of Support Groups*. Annual meeting of the California Association of Regional Cancer Registries (CARCR), San Francisco, CA. February 1997
40. **Giese-Davis, J.**, Miller, G.A., and Zeiss, A.M. Talk: *Internal Conflict in Chronic Illness Groups*. Annual meeting of The Society of Behavioral Medicine, San Diego, CA. March 1994
41. Fernandes, L.O.L., **Giese-Davis, J.E.**, Hicks, B.D., Klein, D.N., & Miller, G.A. Talk: *Converging evidence for a memory anomaly in early psychopathology*.

Annual meeting of the Society for Psychophysiological Research, Atlanta.  
October 1994

42. Etienne, M.A., Deldin, P.J., **Giese-Davis, J.**, & Miller, G.A. Talk: *Differences in EEG distinguish populations at risk for psychopathology*. Annual meeting of the Society for Psychophysiological Research, Boston. October 1990
43. Ebert, L., **Giese-Davis, J.**, Fernandes, L.O.L., & Miller, G.A. Talk: *Specific attention deficit in anhedonia: Autonomic evidence*. Annual meeting of the Society for Psychophysiological Research, New Orleans. October 1989
44. **Giese-Davis, J.**, & Miller, G.A. Talk: *Template deficits in anhedonia*. Annual meeting of the Society for Psychophysiological Research, San Francisco. October 1988
45. **Giese-Davis, J.**, & Miller, G.A. Talk: *Stimuli mismatch effects in anhedonia and dysthymia*. Annual meeting of the Society for Psychophysiological Research, Amsterdam. October 1987

#### **X: MEDIA RELATIONS**

- Global Television. Interview for: *Positively Pink Survivorship*. October 7<sup>th</sup>, 2008 – aired October 8, 2008
- Interviewed for Reuters News Release: “Repressed Emotions May Hasten Breast Cancer Death”. October 26, 2000
- Interviewed for Men’s Health Magazine: “In Sickness and in Health: Facing Breast Cancer with Your Partner”. 1999
